REQUEST UNDER 37 C.F.R. §1.48(a) TO CORRECT INVENTORSHIP

Applicant hereby requests that the inventorship of the above-referenced patent application be changed as set forth herein. The present patent application was filed on March 8, 2004 naming Robert F. Mataya as a sole inventor of the claimed subject matter. However, the correct inventorship of the application should name both Robert F. Mataya and Tommy Morphis as co-inventors as both individuals jointly invented the claimed subject matter.

Attached with the present request are the following items: (1) A statement from Tommy Morphis stating that the error in inventorship occurred without deceptive intention on his part; (2) a declaration executed by both Robert F. Mataya and Tommy Morphis; (3) written consent to the requested inventorship correction signed by Ken Burroughs, President of Tracker Marine, L.L.C., as assignee of the present patent application; and (4) the processing fee set forth in 37 C.F.R. §1.17(i).

JOINT DECLARATION FOR PATENT APPLICATION

INVENTORS: Robert F. Mataya and Tommy Morphis

As below-named inventors, we hereby declare that:

Our residence, post office address and citizenship are as stated below next to our respective names.

We believe we are the original, first and joint inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled CLOSED MOLDING TOOL, the specification of which was filed on March 8, 2004 as Application Serial No. 10/795,858.

We hereby state that we have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

We acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, 1.56(a).

We hereby claim foreign priority benefits under Title 35, United States Code, § 119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed.

| Prior Foreign Application Number | Country | Foreign Filing Date (MM/DD/YYYY) | Priority Claimed? Y/N | Certified Copy Attached? Y/N |
